Dear Supervisors:

**APPROVE LAW ENFORCEMENT SERVICE AGREEMENT
EXTENSION BETWEEN THE COUNTY OF LOS ANGELES
AND THE SOUTHERN CALIFORNIA REGIONAL RAIL AUTHORITY
METROLINK COMMUTER RAIL SYSTEM
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the extension of the Los Angeles County Sheriff's Department's (Department) Municipal Law Enforcement Service Agreement for the Southern California Regional Rail Authority (SCRRA) for the period of December 1, 2005, through June 30, 2006.
2. Authorize the Sheriff to amend the existing Municipal Law Enforcement Service Agreement with SCRRA. Under the provisions of Article 1, Section 56-3/4 Charter of the County of Los Angeles, the County shall have the authority to provide for the assumption and discharge of municipal functions of any of the cities and towns within the County whenever requested by such agency.
3. Authorize the Sheriff to amend the existing agreement to allow for the continuation of such services through June 30, 2006, at which time the Sheriff will return to your Board in order to seek approval for an executed agreement with SCRRA through June 30, 2009.

A Tradition of Service

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this agreement is to provide the SCRRA with municipal law enforcement services.

SCRRA has requested an extension of their existing contract. Approval of this contract extension will permit the Department to continue providing general law enforcement services to SCRRA within its system area. Negotiations between the Department and SCRRA, to enter into a new agreement, will continue during this extension period.

Implementation of Strategic Goals

This recommended action conforms to Goal 4, Fiscal Responsibility, by strengthening the County's fiscal capacity through additional resources acquired from these agreements. Additionally, your approval of the recommended action would enhance Los Angeles County's Strategic Plan, Goal 8, Public Safety, by maintaining a law enforcement presence throughout the County. The Department can facilitate a more rapid and organized deployment of safety personnel to all segments of the County in situations of terrorism and mutual aid emergencies.

FISCAL IMPACT/FINANCING

SCRRA will pay the Department for services according to the appropriate and prevailing billing rates as determined by the Auditor-Controller each fiscal year. The contract rates are calculated by the Auditor-Controller, pursuant to the requirements of Government Code Section 51350, and the policies and procedures adopted by your Board. The estimated revenue of this contract extension will amount to approximately \$3,042,092.62, including liability insurance.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The term of the contract extension is for a seven (7) month period. This agreement has been approved as to form by County Counsel.

The attached contract analysis is in accordance with the Board of Supervisor's Policy Number 5.045, Law Enforcement Services Contracts Review, and has been approved by both the Auditor-Controller and Chief Administrative Office.

IMPACT ON CURRENT SERVICES

This contract extension serves to improve the quality of law enforcement services and public safety to the SCRRA system area. There is no additional personnel required and the extension will not negatively impact the Board of Supervisors' priorities to staff jails and unincorporated county areas. Both the County of Los Angeles and SCRRA benefit from the effects and the efficient utilization of County resources in this partnership.

CONCLUSION

Upon approval by your Board, please return four originally executed agreements to the Sheriff's Department, Contact Law Enforcement Bureau. The Department's contact for the requested Board action is Lieutenant Rick Mouwen, (323) 526-5737.

Sincerely,
